

Tire Recycling in BC

2024 Highlights

is the not-for-profit organization responsible for managing the collection and recycling of scrap tires in BC since 2007. Tire Stewardship BC helps tire producers (retailers) meet their regulatory obligations through its ministry-approved EPR plan.

5.6 MILLION

scrap tires* were collected as part of the tire recycling program **in 2024**

Since 1991, over 122 million scrap tires* have been collected and processed

What Happens to the Scrap Tires?

Over 2,000 Collection Locations

Registered retailers that will take back a scrap tire from the consumer at the time a new tire is sold

761

Return-to-Retailers

Registered locations that will take up to 4 "orphan" car tires, clean and off-rim, from the public for free

At least 25%

of registered retailers in each Regional District are Return-to-Retailers

100%

of collected tires are processed in Delta, BC
